Daldoss Editorial

- August
- “Let some Italian design & influence into your new home in the shape of a Service Lift. The convenience is literally endless and you will be surprised how often your Master Lifts Service Lift will prove its advantages and versatility in the home..... You will be amazed at the convenience it brings, whether it be to help serve up a luncheon to friends and family during the Spring & Summer months or to help with carting your groceries & home goods in on a cold Winter night, your new lift will be ready to lend a hand all year round. With carrying capacities to match your desired usage, your Service Lift will become your most dependable home edition and with classic finishes to suit all design and tastes. Style, Elegance, Simplicity will all be yours!

Grand Designs Magazine (National)

- Oct & Nov 2014

master lifts

It's not just a lift, it's a Lifestyle.

Imagine being able to incorporate elegance and style into your existing or new home. Featuring Italian design and engineering, the Master modern home lift will be an invaluable addition to any home where you just want that extra touch of class and sophistication in your home.

Master Lifts offer you the beautiful Lifestyle Lift with a vast selection of colours, finishes and some ultra modern features. It's the lift that will capture everyone's attention.

The lift is designed for easy installation and retrofitting into your existing home, or various options & possibilities if being incorporated into the design of your new home.

Finishes, engineering, style & elegance all come together in this stunning residential lift.

Comfort, safety and reliability will be yours to enjoy for years to come...
