

Master Lifts Minivator's - at a glance		Min-950	Min-1000	Min-2000	
					
SEAT OPTIONS					More Information
Clip Seat Belt	Y	X	X		This black belt has a central clip which is squeezed both sides to operate.
Velcro Seat Belt	X	O	O		This black belt has velcro on either end to hold it firmly in place.
Retractable Seat Belt	X	Y	Y		This retractable cream belt can be clipped together on one side or centrally.
Choice of Upholstery	X	Y	Y		A selection of six colours means you can choose upholstery to match your décor.
Intelligent Safety	X	O	O		Automatically returns your stairlift to the safest park position to facilitate emergency access.
Powered Swivel	X	O	O		This makes turning the stairlift seat to get in and out on the landing as easy as possible.
Short Arm	O	X	X		This allows a seat to swivel on particularly narrow staircases.
Perch Seat	X	O	O		Ideal for users who have difficulty bending at the hip or knee joint.
Outdoor Version	X	O	O		Designed for use outside, up to a front door for example.
FOOTPLATE OPTIONS					
Manual	Y	Y	Y		The footplate is folded and unfolded manually.
Powered from Seat	X	O	O		Seat Folds the footplate away when the seat is folded up.
Powered from Arm	X	O	O		The footplate can be lifted and lowered by a switch under the arm whilst the user is seated.
TRACK OPTIONS					
Travels around corners and bends	X	X	Y		For a wide range of staircases, from ones that turn a corner to multi-flight or spiral.
Charge anywhere on track	Y	X	X		Your lift charges wherever it is parked on the track.
Multiple charge points	X	Y	Y		Use your remote control to park on charge points.
Slim line Anodised Track	X	Y	X		The slim track maximises the clear space on your staircase once your stairlift is installed.
Track available in any colour	X	X	O		Customise your curved stairlift track to match your décor.
Zero intrusion into landing	O	X	O		For use when a doorway close to the top of the stairs would be obstructed by the track.
Manual Hinge	O	O	X		For use when a doorway close to the bottom of the stairs would be obstructed by the track.
Powered Hinge	X	O	O		Automatically moves the track while the stairlift moves leaving doorways unobstructed.
Slide Track	O	X	X		The track moves with the stairlift, leaving doorways clear and removing the need for a hinge.
DIMENSIONS					
Min - Max overall footplate to seat distance	390 - 560mm	465 - 540mm	485 - 630mm		<u>Perched Seats:</u> If you have restricted movement in the knee or hip joints you may find sitting painful, in these situations a perch seat may be the right solution,
